

CHRIS AND SONS INT'L LTD

(PROJECT ENGINEERS)

CORPORATE PROFILE

BASE OFFICE

Who we are:

CHRIS AND SONS INT'L Ltd. Is an indigenous multidisciplinary engineering firm incorporated within the confines of the laws of the Federal Republic of Nigeria in 2001.

CHRIS AND SONS INT'L Ltd is a product of burning desire for engineering and technical excellence and expertise in the oil and gas industry in Nigeria and the West Africa sub-region. To this end, our team consists of highly experienced, technical, dedicated and resourceful personnel with an average of over twenty- five years on the job experience in the oil and gas industry.

Attesting strongly to our dedication to excellence and expertise are the numerous projects we have been able to execute to the satisfaction and admiration of our clients within a short but fruitful period of existence.

It is this background of expertise blended with experience that we will bring into full play when we do business with you.

Vision:

To advance the frontier of engineering Standards and practice in Nigeria and West Africa sub-region beyond its current level by taking advantage of our mastery of the environmental peculiarities and also toeing the line of contemporary technocracy.

Mission:

To deliver quality projects that meet the client's specifications and purpose within the specified time.

Services

Engineering.

Procurement.

Pipe-line/Flow-line Construction.

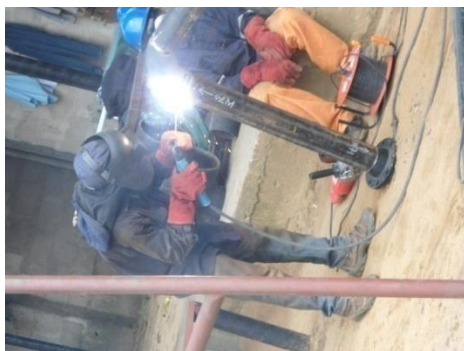

Facility Upgrade, Construction & Installations.

Surface Tank Construction & Rehab
